

"SERVING THE AMATEUR COMPETITOR SINCE 1955"
DISTRICT 36 MOTORCYCLE SPORTS COMMITTEE, INC.

District 36 Event Information Packet

Dear Club/Promoter:

Enclosed you will find a checklist and other information to help make your event reporting less puzzling. The District realizes that the paperwork part of the event can be confusing, but complete and timely reporting of your event statistics and the payment of fees due is essential to many functions of the District and AMA.

District 36 event fees and paperwork must be sent to the proper officials within seven (7) days of your event. Injuries must be reported to the AMA within twenty-four (24) hours of your event – please check injury report form for types of injuries.

The District requires a one-time deposit of \$150 from all promoting organizations to cover fees and fines. You may roll-over your deposit from year to year or submit a request for refund of your deposit, which will be sent to you upon acceptance of your reports and fees to the District 36 and AMA.

The District wants your event to be a successful one. Please call or email me any time you have a question or need help (916-624-7407, arider@juno.com).

Thank you for your cooperation.

Bret Eckert
Asst. Director of Competition
