

2011 Phantom Youth Hare Scrambles Makeup Race Cancelled

Regretfully after reviewing all information to reschedule the Phantom Youth Races that were postponed in March, Ghostriders MC had to make the difficult decision to not hold the make-up race. The financial hardship on the club was going to be too great to bear. We had hoped that some of the costs already paid would carryover to a new date. This was not the only reason that drove the decision, but definitely the one hurdle we could not overcome and have the ability to host the Phantoms in 2012.

We hope that the racers and families of District 36 Youth CC Series understand that this is not the direction our club wanted to take, and look forward to seeing all of you at the 2012 Phantoms.
